- (iv) A firm, who has purchased the Tender document in their name, can submit the Tender either as individual firm or in JV / Consortium.
- (v) Tenderers shall not have been blacklisted or deregistered by the Central Government, State Government of Maharashtra, any PSU of Government of India and Government of Maharashtra or any public sector Metro rail corporation in India during the last 5 years. Also the Tenderer must not have failed to take possession or to commence any Contract after the award of Contract. The tenderer shall submit undertaking to this effect in – **Appendix-22** of Form of Tender. If this undertaking is found to be false at any stage, then tender/Contract is liable to be summarily rejected.
- (vi) Tenderer (any member in case of JV / Consortium) must not have paid liquidated damages of 10% (or more) of the Contract Price in a Contract due to delay or penalty of 10% (or more) of the Contract Price due to any other reason during last five years. The Tenderer shall submit undertaking to this effect in Appendix-23 of Form of Tender.
- (vii) Tenderer (any member in case of JV / Consortium) must not have suffered bankruptcy/ insolvency during the last 5 years. The Tenderer shall submit undertaking to this effect in Appendix-24 of Form of Tender.
- (viii) **LEAD PARTNER / NON SUBSTANTIAL PARTNERS / CHANGE IN JV / CONSORTIUM**
- a) Lead partner must have a minimum of 26% participation in the JV / Consortium.
 - b) Partners having less than 26% participation will be termed as non-substantial partner and will not be considered for evaluation which means that their financial soundness and work experience shall not be considered for evaluation of JV / Consortium.
 - c) In case of JV / Consortium, change in constitution or percentage participation shall not be permitted at any stage after their submission of application otherwise the applicant shall be treated as non-responsive.
 - d) The tenderer, in case of JV / Consortium, shall clearly and unambiguously define the role and responsibilities for each substantial / non-substantial partner in the JV agreement / MOU submitted vide foot note (d) of Appendix 6 of Form of Tender, providing clearly that any abrogation / subsequent re-assignment of any responsibility by any substantive / non-substantive partner of JV / Consortium in favour of other JV / Consortium partner or any change in constitution of partners of JV / Consortium (without written approval of Employer) from the one given in JV agreement / MOU at tender stage, will be treated, as ‘breach of Contract condition’ and/or ‘concealment of facts’ (as the case may be), vide GCC Clause 4.33.1 [a (ii) and (iii)] and acted accordingly.

- e) The Employer in such cases, may in its sole discretion take action under Clause 4.33.1 (b) and/or under Clause 4.33.1(c) of GCC against any member(s) for failure in tenderer's obligation and declare that member(s) of JV / Consortium ineligible for award of any Tender in MMRC or take action to terminate the Contract in part or whole under Clause 13 of GCC as the situation may demand and recover the cost/damages as provided in Contract.
- (ix) A Tenderer and all partners constituting the Tenderer shall confirm Non-performance of a Contract did not occur within the last two (2) years prior to the deadline for application submission based on all information on fully settled disputes or litigation (as per Appendix-21 of FOT). A fully settled dispute or litigation is one that has been resolved in accordance with the Dispute Resolution Mechanism under the respective Contract and where all appeal instances available to the Applicant have been exhausted.
- (x) The Tenderer shall have a MOU with a Detailed Design Consultant(s) having requisite Design Experience as stipulated in Minimum Eligibility Criteria in 1.1.3.2, who on award of the Contract, shall carry out detailed design as per the scope of design in the tender documents

1.1.3.2 Minimum Eligibility Criteria:

A. Work Experience:

The Tenderers will be qualified only if they have completed work(s) during **01.04.2008 to 31.03.2018** as given below:

The design experience of E & M Works of 2 metro stations and one metro depot together must include design of VAC and Fire Protection System Components. If the above DDC does not have the detailed design experience of 11 KV and above HT GIS works (Sub-Station, Distribution Works and Cables installation system), then the tenderer can propose another DDC having requisite experience for detailed design of 11 KV & above HT GIS works (Sub-Station, Distribution Works and Cables installation system).

NOTES

- a. The tenderer shall submit details of works executed by them/Specialist subcontractor/Detailed Design Consultant in the Performa of Appendix- 11, 12 (In case of Specialist Subcontractor work experience for execution of the complete HT GIS works), Appendix- 14 (For Work Experience of DDC) and Appendix-15 of FOT for the works to be considered for qualification of Work Experience criteria. Documentary proof such as completion certificates from client clearly indicating the nature/scope of work, actual completion cost and actual date of completion for such work shall be submitted. Experience certificate of any person/official below the rank of Executive engineer will not be accepted as proof for Eligibility.
- b. In case the work is executed for private client, copy of work order, bill of quantities, bill wise details of payments received certified by C.A., T.D.S certificates for all payments received and copy of final/last bill paid by client shall also be submitted along with Completion certificate.
- c. The value of completed work(s) shall be inclusive of taxes.
- d. For completed works, value of work done shall be as on 31.03.2018, assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year.

The exchange rate of foreign currency shall be applicable 28 days before the submission date of tender.

- e. In case of JV / Consortium, full value of the work, if done by the same JV / Consortium or any of members of the JV shall be considered. However, if the qualifying work(s) were done by them in JV/Consortium having different constituents, then the value of work as per their percentage participation in such JV/Consortium shall be considered.
- f. The work experience certificates of those works which have been commissioned shall be considered as completion certificates for qualification of Work Experience criterion, where the work has been executed for Government funded projects (Clause 1.1.3.2 A).

B. Financial Standing:

The Tenderers will be qualified only if they have minimum financial capabilities as below:

(i) T1: Liquidity

It is necessary that the firm can withstand cash flow that the Contract will require until payments received from the Employer. Liquidity therefore becomes an important consideration.

This shall be seen from the balance sheets and/or from the banking reference. Net current assets and/or documents including banking reference, shall show that the applicant has access to or has available liquid assets, lines of credit and other financial means (**As per Appendix-16 of FOT and as per standard Performa provided in ITT as Annexure-12**) to meet cash flow of **6 Crores** for this Contract, **and to sustain at least for 1.5 Month** for net of applicant's commitments for other Contracts, **as submitted by the tenderer in Appendix-18 of FOT. (Example: Net Liquidity needed = 6 Crores plus 1.5 Month, applicant's commitments for other Contracts as per Appendix-18 of FOT)**. Banking reference shall contain in clear terms the amount that bank will be in a position to lend for this work to the applicant/member of the JV / Consortium. In case the Net Current Assets (as seen from the Balance Sheets) are negative, only the Banking references will be considered. Otherwise the aggregate of the Net Current Assets and submitted Banking references will be considered for working out the Liquidity.

The banking references shall be from a **Scheduled Commercial Bank (Including scheduled Commercial Foreign Bank) in India** or (in case of foreign parties) from an International bank of_repute acceptable to MMRC **as per standard Performa provided in ITT as Annexure-12** and it shall not be more than 3 months old as on date of submission of bids.

In Case of JV- Requirement of liquidity is to be distributed between members as per their percentage participation and **every member shall satisfy the minimum requirement.**

Example: Let member-1 has percentage participation= M and member-2 has percentage participation= N . If minimum liquidity required is 'W' then

Required Liquidity for Eligibility

Tenderers	JV % share A	Required WA = B	Net Current Asset as per Appendix-16 of FOT = C	As per standard Performa provided in ITT as Annexure-12 and other line of credit = D	Total Liquidity C+ D =E
Member 1	M	WM			
Member 2	N	WN			

Tenderer's Other Commitments - Appendix-18 of FOT

Tenderers	Available Cash flow for present & future commitments for the Contract E-B=F	Average Monthly Requirement for future Contract commitments of bidder G	No. of months of cash flow available for present & future commitments H = (F/G)	Pass if, H ≥ 1.5 Months
Member 1				
Member 2				

In case the applicant is a JV / Consortium and if Banking Reference is issued by the bank in favor of the JV / Consortium for this Contract, then it will be considered for the tenderer and if the Banking reference(s) is issued in favor of any member of JV/ Consortium it will be considered only for that member.

(ii) T2: Profitability:

Profit before Tax shall be **Positive in at least 2 (two) year**, out of the last five audited financial years

In Case of JV / Consortium - The profitability of **only lead member** shall be evaluated.

(iii) T3: Net Worth:

Net Worth of tenderer during last audited financial year shall be >Rs. 7.00 Crores

In Case of JV/Consortium- Net worth will be based on the percentage participation of each Member

Example: Let Member-1 has percentage participation = M and Member - 2 has =N. Let the Net worth of Member-1 is 'A' and that of Member-2 is 'B', then the Net worth of JV / Consortium will be

$$\frac{= AM+BN}{100}$$

(iv) T4: Annual Turnover:

The average annual turnover of last five financial years shall be > 34 Crores.

In Case of JV / Consortium – The average annual turnover of JV will be based on percentage participation of each member.

Example: Let Member-1 has percentage participation = M and Member - 2 has =N. Let the average annual turnover of Member-1 is 'A' and that of Member-2 is 'B', then the average annual turnover of JV / Consortium will be

$$= \frac{AM+BN}{100}$$

Notes:

- Financial data for latest last five audited financial years has to be submitted by the tenderer in **APPENDIX 16** of FOT along with audited balance sheets. The financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature. In case audited balance sheet of the last financial year is not made available by the Tenderer, he has to submit an affidavit certifying that 'the balance sheet has actually not been audited so far'. In such a case the financial data of previous '4' audited financial years will be taken into consideration for evaluation. **If audited balance sheet of any other year than the last year is not submitted, the tender will be considered as non-responsive.**
- Where a work is undertaken by a group, only that portion of the Contract which is undertaken by the concerned applicant / member shall be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence.

1.1.3.3 Bid Capacity Criteria:

Bid Capacity: The Tenderers will be qualified only if their available bid capacity is more than the approximate cost of work as per NIT. Available bid capacity will be calculated based on the following formula:

$$\text{Bid Capacity} = 2 * A * N - B$$

Where,

A = Maximum of the value of construction works executed in any one year during the last five financial years (updated to **31.03.2018** price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year).-**Appendix- 17 of FOT.**

N = No. of years prescribed for completion of the work = 22 months = 1.83 years

B = Value of existing commitments (**as on 30.04.2018**) for on-going works during period of **22 months w.e.f. 30.04.2018. Appendix-18 of FOT.**

Notes:

Value of existing commitments for on-going construction works during period of **22 months w.e.f. 30.04.2018** has to be submitted by the Tenderer in **APPENDIX- 18 OF FOT.** These data shall be certified by the Chartered Accountant with his stamp and signature

In the case of a group, the above formula will be applied to each member to the extent of his proposed participation in the execution of the work. If the proposed % is not provided, equal participation will be assumed.

Example for calculation of bid capacity in case of JV / Consortium

Suppose there are 'P' and 'Q' members of the JV / Consortium with their participation in the JV / Consortium as 70% and 30% respectively and available bid capacity of these members as per above formula individually works out 'X' and 'Y' respectively, then Bid Capacity of JV / Consortium shall be as under::

$$\text{Bid Capacity of the JV / group} = 0.7X + 0.3Y$$

- 1.1.3.4 The Tender submission of Tenderers, who do not qualify the minimum eligibility criteria & bid capacity criteria stipulated in the Clauses 1.1.3.1 to 1.1.3.3 above, shall not be considered for further evaluation and therefore rejected. The mere fact that the tenderer is qualified as mentioned in sub Clause 1.1.3.1 to 1.1.3.3 shall not imply that his bid shall automatically be accepted. The same shall contain all technical data as required for consideration of tender prescribed in the ITT.

1.1.3.5 Minimum Key Staff requirement (as per Appendix 19 of FOT)

NOTE: Please submit the CV of above Key Personnel (as per Appendix 20 of FOT.)
