

STAGE IS BEING SET AHEAD OF METRO TRAIN'S TRIAL RUN

Pics: Uma Kadam

Work on Metro 3 underground route (Colaba-Bandra-Seepez) is in progress. Eight coaches (*bottom pic*) of a train were being assembled and a test run slated to be done on a stretch of the route, likely on Independence Day. A battery-operated shunter (*left*) successfully pulled the first 8-car train on Monday at a temporary trial run facility set up by Mumbai Metro Rail Corporation for Metro Line 3 at Sariput Nagar, Aarey. The test run will be done on a stretch of tracks (*top*). TNN
